

DFEH Legal Update Webinars are held on the third Wednesday of every month. The webinars are free and only available for State of California employees. They are intended to be hands-on primers for managers, supervisors, human resource professionals, attorneys and investigators.

To listen to this webinar, you must have computer audio. Participants **MUST** have:

1. Computer speakers OR a headset connected to your computer
2. [Download](#) and install the Microsoft Live Meeting Client as opposed to using the web-based client. Please download and select "Run."

Participants should [check their system](#) in advance or contact their IT support to confirm that their computer is properly configured to use Microsoft Office Live Meeting. For additional technical requirements, please see our [Technical FAQ](#).

To automatically receive future [DFEH Legal Update](#) webinar invitations, please send an email to legalupdate@dfeh.ca.gov.
